THOMAS HOOD,
Now First Collected,
By Errs Sangery, Esq.
1 vol. \$125.

By Eres Sargery, Esq.

1 vol. \$1125.

This is a Collection supplementary to the present editions of his Poetical Works, and is composed almost entirely of Poems not contained in any former Collection. About nine-tenths of the contents of this volume are brought together for the first time, and it forms necessarily the most amusing book of the season. Heed has left no one like a second to him as a humorist all the laughtop philosophers follow him longs intervallo. No other collection of Hood's writings contains The Epping Hunt, other collection of Hood's writings contains The Epping Hunt, of the additional Odes and Addresses to Great People, the Ode to this skedly. The China Mender, The Painter Puzzled, The Logician, The Captain's Cow, The Elegy on David Laing, The Jordan, The Captain's Low, The Painter Scarol, and a number of others among the best of his off-hand productions. It was said long since, by one of his most friendly critics, that bood's best things were his least elaborate, and the reader of this volume will be inclined to canour in this opinion.

They have been purchased by me personally during the late fell and present Winter in the Counties of Oneida, Herkimer, Madison, Onomiaga, Sensee, Wayne, Tomkins, Ontario, Mouroe, Genesee, Oriesaus, and Livingston, each county having contributed a small portion of its very best stock, which together numbers over afty dicrees, and I design to increase the number to sixty or more. At present I have twenty pairs of first class closely-matched COACH HORSES, a few good SPEED HORSES, and some very fine single HORSES. At my residence in Whitestown, Oneida County, New York, I shall be pleased to see all passons desirous of purchasing Horses of my kind until the first of March rest; after that time at POST'S Stable, 2sthat, New-York, where I shall again be happy to meet my old friends and outcourers, and all others who may be decirous of purchasing first class Matched, Single, or Speed Horses.
